Dear Dr. Nanda,

On behalf of the Liga Medicorum Homoeopathica Internationalis (LMHI) local organizing committee and its sponsors, we would like to officially invite you to participate in the International Homeopathy Congress 2025 JOY OF HOMEOPATHY. **Theme: The Power of Homeopathy in a Modern Society.** This event will be held between Wednesday May 14th to Saturday 17th, 2025 in Utrecht, Netherlands.

[Special benefits from the local organizing executive committee and its sponsors:](#)

The executives committee and its sponsors have negotiated discount rates with major airline operators and hotel management, and they have accepted a 25% discount from our delegates if we are to make group bookings and hotel reservations for them. This is a first come, first-served basis, so book now.. This is to support and assist our intended delegates with their trip.

[Important Information For those who require a visa to Netherland:](#)

Due to the new resolutions and recent decisions of the councilors in the immigration department regarding tourist visas to Netherland, due to global issues on terrorism and criminal tendencies of immigrants as this mostly affected those that are coming to Netherland on a tourist visa. This is entirely a new arrangement different from the old system just to check these global vices and also to discourage those without a genuine reason/intention from entering into our country.

The local organizing committee therefore has decided to assist the participants (non-Schengen Country) who require visa assistance to the Netherlands. The visa processing is free as no payment is required.

Delegates who wish to benefit from the 25% discount for the flight booking/hotel reservation and also those who need assistance with their visa should email us immediately for further information and guidelines on how to benefit from this gesture.

The LMHI 2025 Congress provides a valuable opportunity to stay informed, connect with peers, contribute to discussions, share cutting edge research and explore new ideas that shape Homeopathy worldwide. We look forward to your participation!

Warm regards,

Gio Meijer  
Chair LMHI 2025 Congress Organizing Committee.
