To

Dr. L. K. Panda,
Bhubaneswar,

Sub. : Invitation as speaker during Interdisciplinary Research Convention

Resp. Sir/Madam,

To commemorate the many meaningful years of your association with various innovative global activities in medical faculty

The potential of research/Homoeopathy needs to be given its rightful place in the health care policies. The realization of this vision calls for an appropriate projection of the principle to the key players in the field of health care systems.

It gives me immense pleasure to convey that the 13th National Homeopathic Conference - 2005 is being organized by Research Society of Homeopathy India, on 22-23 Jan 2005 at Amravati

The theme of conference is Interdisciplinary Research Convention. I am sure that this deliberation will Suggest a concrete measures by which medical faculties can play a still grater part in national program for ameliorating the sufferings of teeming millions as well as this convention will provide a good opportunity to qualified, professional, academician, researcher to meet & discuss their problem in regards to the promotion of Health Care System and can flourish meaningfully. It is a thoughtful gesture on my part to most humbly request you to be amongst us as an intellectual luminaries

You are requested to kindly present a paper during scientific session schedule to be held on 22nd & 23rd January 2005. The tentative scientific programme is enclosed for your ~~convenience~~ & also please find enclosed list of topic suggested awaiting your valued contribution on or before 30-11-2004.

Thanking in anticipation

Yours Faithfully,

Dr. S. A. Dhole

(Organizing Secretary)
